The screenshot displays the IBM Cloud Dashboard interface. At the top, a navigation bar includes the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and the user's account 'krishna rajan T's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with five recommended actions: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Monitor your resources' (Get visibility into the performance and health of your resources), 'Create and deploy an application' (Browse our starter kits, and then select one to jump start the process to create and deploy your app), 'Use Watson Assistant' (Watson Assistant lets you build conversational interfaces into any application, device, or channel), and 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel). Each action card includes a 'Getting started' button and a duration (5 min, 5 min, 2 min, 15 min). Below the 'For you' section, there is a 'Resource summary' section with a 'View all' link, and a 'Planned maintenance' section. A Windows activation watermark is visible in the bottom right corner of the dashboard. The browser's address bar shows the URL 'iam.cloud.ibm.com/identity/logout?client_id=HOP55v1CCT&post_logout_redirect_uri=https%3A%2F%2Fcloud.ibm.com'. The Windows taskbar at the bottom shows the time as 19:26 on 17/10/2022.
